

Loire Escapes

Outside and communal spaces.

Outside

The pool and gardens are shared by both properties.

Pool –The salt water pool is open from May through to October and is heated to a minimum of 24 degrees C, Guests have sole use from 8.30am after cleaning.

A new pool liner was installed in 2020

Tables, chairs, umbrellas and sun loungers along with a BBQ are found in the pool area

One pool towel per person is provided for the duration of your stay, these can be washed in the barns by guests.

Garden - There two lawns that can be used for sun bathing and games.

Patios - there is a patio area with table and chairs outside each gite, the owners have a small patio ,they use outside their house,

Bikes - we have a couple number of bikes for guest use, **we do not supply safety equipment,** For more discerning cyclists we encourage you to bring your own bikes we will happily store them safely for you.

Cocktail Bar

In 2019 we created a cocktail bar onsite. The bar is open on guest request, Andy and Tee will host and serve guests if required. This bar operates on an honesty box basis and is a social space where you can have fun and kick back,

We respect our guests and if one barn requests the bar is open we will respect other guests and ensure any music and noise is minimised after 11pm.
